## **Notes**

- The applicant is the organisation or person who intends to make carry out the demolition. A telephone and/or email contact must be supplied.
- 2. The agent is any person acting or behalf or contact person for the above organisation. A telephone and/or email contact must be supplied.
- 3. The location where the structure is located. A Location Plan at a scale of not less than 1:1250 may assist in identifying the site or building.
- 4. Type and construction of building or structure to be removed and their location on the site. (see 3)
- 5. Intended commencement and completion dates.
- 6. Your confirmation of all parties you have informed in relation to your intensions (continue on a separate sheet if necessary).
- 7. Please supply a Method Statement in relation to the proposed demolition and any relevant test reports pertaining to asbestos or other hazardous materials.
- 8. Please note that the Health and Safety Executive will be notified of the intended demolition.

This form must be signed by the person making the application.
